Electronic Sources

How do I reference an e-book?

Example of citation within the text – Paraphrasing

When care delivery focusses on the needs of the individual, this has a positive effect on the end user. It gives them increased personal satisfaction with the conditions they are living in and also the means and authority to make changes for themselves.

(Hetherington and Rasheed, 2013)

Example of citation within the text - Direct quote

Hetherington and Rasheed (2013) assert that “On a more positive note, where a person-centred approach to care delivery is used, the impact is empowering and enabling for clients, and helps them to live a better quality of life.” .... P42

Example of how the reference for this source should appear:

E-books - points to note

The following format should be used when referencing e-book:
